PRESS RELEASE

True Potential of NBP Yet to be Explored
NBP Officers Federation Felicitates the President

Karachi April 6, 2011: The President NBP, Mr. Qamar Hussain has said that NBP's most valuable asset is the performance of its competent and professional workforce. With right focus and attitude of its employees, NBP can reach its true potential which is yet to be explored and which can take the Bank to new heights of performance. Mr. Qamar Hussain shared these views in a function organized by NBP Employees to welcome him as President of the Bank.

On this occasion, Mr. Gulfaraz Ahmed Khan, Secretary General NBP Officers Federation said that in the last 10 years NBP has taken major strides on the road of success which only became possible due to the dedication of its workforce. With continuity of its capable leadership, this trend is likely to continue. On behalf of Officers Federation he assured full support to the management in making NBP the most commercially viable financial institution in the country.

President NBP assured the employees that the bank would continue to look after their genuine interests. He expressed confidence that the employees of NBP would double their efforts to keep NBP the flag bearer of Pakistan's banking industry.
