

National Bank of Pakistan Secures 7 Best Practice Awards at GDEIB Awards 2026

Karachi 18th May 2026 — National Bank of Pakistan (NBP) has secured 7 Best Practice Awards at the Global Diversity, Equity and Inclusion Benchmarks (GDEIB) Awards 2026, marking an important recognition of the Bank's continued efforts to promote diversity, equity, and inclusion across its organizational landscape.

Representing the Bank at the ceremony, Ms. Saman Abbasi, EVP – Divisional Head, Learning & Development and Organizational Effectiveness, received the award along with her team on behalf of NBP.

The recognition acknowledges the Bank's ongoing work to strengthen inclusive policies and practices, encourage broader representation, and foster a workplace culture grounded in fairness, respect, and opportunity. It reflects NBP's belief that inclusive institutions are better positioned to grow sustainably, strengthen culture, and create lasting impact.

NBP continues to advance its people agenda in line with contemporary global benchmarks and institutional priorities, while reinforcing its commitment to building a workplace that is equitable, forward-looking, and responsive to the evolving expectations of a modern financial institution.

About National Bank of Pakistan

National Bank of Pakistan is one of Pakistan's premier financial institutions, with a longstanding role in supporting national progress through financial services, outreach, and economic participation across the country.
