

## PM Shehbaz Recognizes NBP for Contributions to Economy

**Karachi, February 6, 2026:** Prime Minister of Pakistan Mr. Shehbaz Sharif has recognized National Bank of Pakistan (NBP) for its significant contributions to the national economy.

During a ceremony held in Islamabad recently, PM Shehbaz Sharif presented the award to Mr. Rehmat Ali Hasnie, President and CEO, NBP. The event honored leading exporters and bankers for the year 2024-25.

The recognition highlights NBP's strong support for export growth and its continued role in strengthening Pakistan's financial sector. Through its services and partnerships, the bank has played an important role in promoting trade, supporting businesses, and contributing to overall economic development.

Senior government officials, top bankers, business leaders, and exporters from across the country were present on the occasion.

NBP remains firmly committed to driving sustainable and inclusive growth by supporting the business community, strengthening financial intermediation, fostering innovation, and actively contributing to Pakistan's long-term economic stability, resilience, and overall national development.
