What is Takaful?

"Takaful" is an Arabic word which means "joint guarantee". It is a community-pooling system, based on the principles of brotherhood and mutual cooperation, where participants contribute in a common fund to help those who need it the most.

The system runs on these principles:

1. Participants pool a small amount called "Contribution" into a Waqf Fund, on the basis of "Tabarru", to protect themselves and each other against specified risks
2. The Window Takaful Operator manages a Waqf Fund, called Individual Family Takaful Participants' Fund (IFTPF), with due diligence and prudence in the capacity of "Wakeel"
3. The claims are paid from the IFTPF.
4. Surplus amount, if any, may be distributed among the participants as per the advice of Shari'ah Advisor and Appointed Actuary of the Window Takaful Operator (WTO).

What is a Family Takaful Plan?

A Family Takaful Plan is an arrangement which rests on key Shari'ah principles of

mutual cooperation, solidarity and well-being of a community.

Under a Takaful arrangement, individuals come together and contribute towards the common objective of protecting each other against financial losses by sharing the risk on the basis of mutual assistance.
